

STANDARD DELUXE DOMED NAME BADGE TEMPLATES

CUT LINE (Final Print Area)

BLEED AREA

Use one of the templates as provided for your name badge design.

Do not put important information or artwork within 2mm of the cut line.

Please provide the final artwork to us in vector format. (.pdf or .eps)

Please provide all true type or open type fonts required.

Any borders along the cut line need to be no less than 0.5mm thick.

After a different/non standard shaped badge?

Custom shapes are available for an extra fee. Not all shapes may be possible to produce.
